Subject: Discussion Draft on Proxy Advisory Services

Two of the members of the Shareholder Communications Coalition—the Society of Corporate Secretaries & Governance Professionals and the National Investor Relations Institute—have developed a Discussion Draft on Proxy Advisory Services, to help policymakers and regulators in their review and evaluation of the proxy voting system.

This Discussion Draft presents recommendations for improving the regulatory oversight and transparency of proxy advisory firms, as a starting point for policy deliberations on these issues.

If you are interested in reading the Society-NIRI Discussion Draft on Proxy Advisory Services, click on the following link to the Coalition's website:
