Subject: Coalition Recommendations to Improve the U.S. Proxy System

As the Securities and Exchange Commission (SEC) considers public comments regarding its Concept Release on the U.S. proxy system, the Shareholder Communications Coalition has prepared a PowerPoint presentation to explain its recommendations for reforming the proxy voting and shareholder communications rules.

This presentation document is intended to help public companies, investors, and other interested parties understand how the proxy system can be improved to benefit all stakeholders.

Click on the following link to review the Coalition's presentation document describing how to strengthen the proxy system:

All interested parties are encouraged to submit comment letters on the SEC's Concept Release. The deadline is October 20, 2010. Click here to review a copy of the SEC's Release: <http://www.sec.gov/rules/concept/2010/34-62495fr.pdf>

Please contact the Coalition with any comments or questions you may have.

Thank you for your interest in the Shareholder Communications Coalition.
