Subject: Securities Industry News Article

On January 12, 2010, Securities Industry News posted an article on its weblog regarding proxy mechanics and the policy recommendations of the Shareholder Communications Coalition. This weblog also discusses the white paper recently prepared by Ken Altman of the Altman Group on this same subject, and includes a response to these proposed reforms by Broadridge.

Click on the following link to the Coalition's Media Center page to read this Securities Industry News weblog posting: <http://www.shareholdercoalition.com/WhoPaysForProxyReform.pdf>

Thank you for your interest in the Shareholder Communications Coalition.

Niels Holch
Executive Director
